INFORMATION

~~TOP SECRET~~

Saturday, March 30, 1968
8:05 a.m.

Pres file

Mr. President:

Herewith Bunker reports that both Thieu and Ky are prepared to accept the ideas in the draft speech and then go forward to a joint press conference. The latter could be a true turning point in the political life of Vietnam, if properly done.

With this news in hand, do you now wish to dispatch the message to Wilson?

W. W. Rostow

Dispatch message to Wilson_____
